

40 x 16 mm

The logo should be featured as large as possible. The distance to the edge is stipulated by the manufacturer. The address line must fill out the format horizontally, left- and right-aligned with the logo.

With larger stamp formats, the maximum size of logo and text is governed by the measurements of logo and text on the stationery (logo no more than 36 mm wide, max. font size 7.5 pt/8.25 pt).
